WORK EXPERIENCE SUMMARY

PROJECT MANAGER | MORTAYUS NIG LIM | OCT 19' – AUG 22'

- Defining project scope, goals, and deliverables in collaboration with stakeholders
- Managing project resources, including team members, vendors, and contractors
- Ensuring project documentation is complete, accurate, and up to date.
- Ensuring project deliverables meet quality standards and are delivered on time and within budget.

DATA ANALYST | D'SOURZ ENTERPRISE | AUG 15' – AUG 19'

- Conducted data analysis and created visualizations to present insights on customer behaviour, contributing to the development of targeted marketing campaigns.
- Assisted in data collection and validation, ensuring the accuracy and completeness of datasets for analysis.

- Collaborated with cross-functional teams, including marketing and finance, to provide data-driven recommendations, resulting in an increase in conversion rates and a reduction in operational costs.

IT | D'SOURZ ENTERPRISE | JUL 12' – AUG 15'

- Provided technical support to end-users, ensuring timely resolution of issues and minimizing system downtime.
- Evaluated and improved IT systems to optimize their performance, including hardware, software, and network infrastructure.
- Implemented cybersecurity measures to protect against cyber threats.
